

THE SESSION ENDS.

CLOSING EXERCISES OF McGUIRE'S SCHOOL HELD YESTERDAY.

List of Those Receiving Certificates, Scholarships, and Other Honors. Students Who Won Distinctions in Other Institutions.

McGuire's School closed its thirty-first session yesterday morning. Rev. London R. Mason, one of the ante-war "old boys," opened the exercises with a prayer for God's blessing upon the boys, and an address of singular appropriateness and force, for which he has our especial thanks.

Dr. McGuire holds that the work of his boys after leaving him is still part of the school's record, so the University and college record of the school for the past session was posted on the blackboard, and read, as follows:

University of Virginia: Degree—Master of Arts and Bachelor of Arts—H. L. Roberts, M. A. and B. A.; E. L. Woodward, M. A. and B. A. Two of the five degrees most of this rank at the University this session.

Diplomas in the B. A. and M. A. and professional courses—thirty diplomas by ten representatives (college honors won by boys who have only attended this school have not gone to college directly from this school, are left to be claimed by the school last attended).

Annapolis—J. Spilman, successful at entrance examination. Boston School of Technology and Cornell University—Not yet heard from. Lehigh University—A. Carrington, full graduate, successful on all the examinations of his four years' course.
